

ADVISEMENTS

- **DON'T FORGET to bring with you to the hunting-area:** ammunition, weapon, your passport or ID card and your European Firearms Pass!
- **The transport of your weapons during the hunting days must be with a soft case.**
- We recommend to bring a seat or a small cushion with you to the hunt. You are sit during 3 hours on your stand.
- The hunt begins once you are in your stand, and it ends when the professional hunter picks you up.
- Be attentive from the first moment that you are in the stand because the mouvements of the others hunters taking position can frighten the animals; the first animals moving are the big wildboars and barbery-sheeps.
- Most large boars are almost always killed at the beginning and at the end of the hunt.
- Even when you eat your lunch, please stay alert.
- After the hunt, please collect the faded sleeves.
- After the hunt, when the professional hunter arrive to pick you up, don't forget to put your special identification cards to the shooted animals with you name. You will get the cards in your IBH Bag.
- If the hunting is extended, please stay alert to the animals anyway.
- When you go out the 4x4 car, please close the door quietly. It is important not to make noise, even when you speak.
- **CELL PHONES OFF PLEASE.**
- When the professional hunter pick you up, you have to tell him where are the animals shooted that you have marked.
- Please understand that we are going to hunt in a very big open area, and to concentrate the animals in the point where we like it is not easy.
- We will send you the weather information before your departure so you can adjust your clothes to the weather. The footwear can be a light mountain boots.
- There is a big hunt with many hunters, so we ask for your cooperation.

THANK YOU.
